

How to make a sock puppet dog

Be careful – this activity contains small parts and sharp pins.

You will need:

- A sock
- Scrap fabric or paper for ears and tongue
- Scissors
- Buttons or scrap paper for eyes and nose
- Tape
- Safety pins

What to do:

1. Put your hand inside the sock.
2. Tuck the toe of the sock into your hand to make the mouth.
3. Cut two arch shapes for the ears and one for the tongue.
4. Attach the ears and tongue using a safety pin – ask a grown up to help you or you can tape them on.
5. Attach the eyes – ask a grown up to help you stitch them on or we used tape.
