

Instructions for making a bee box.

You will need:

A clean used yogurt pot.
A piece of wire.
Small saw.

A length of large width cane.
Glue.
Nail or drill bit for making a hole

Adult supervision and help is needed with this activity.

How to make:

- Cut the cane a little longer than the yogurt pot.
- Make a hole in end of pot.
- Dip ends of canes in glue and stick into pot.
- Thread wire through hole of top cut cane and through hole in yogurt pot.
- Twist wire together.
- Hang up against wall.
