Clay Museum Produced in the Potteries

Clay Museum is an Arts Council funded project, in partnership with The Potteries Museum & Art Gallery and The British Ceramics Biennial (BCB), to support secondary schools in engaging with the museum and its collections.

The programme, Produced in the Potteries focuses on the history of the local ceramics industry and the innovation and scientific processes that enabled production.

Here are some resources from the programme for you to use at school or at home.

Teachers pack contains

- Produced in the Potteries Presentation
- Teachers notes to accompany the presentation
- Saggarr making demo video
